

CARDIFF CASTLE

Brief Description

Cardiff Castle is a part scheduled monument and fine listed building set within the City of Cardiff. The origins of the site are Roman and the House is in a Gothic revival style designed by William Burgess.

The works comprised, re-servicing the house, provision of education and function facilities, refurbishment of the banqueting kitchens, re-planning to allow public access to the battlements and a new visitor reception building set within the banks to the Roman walls.
