

## TINTAGEL CASTLE VISITOR FACILITIES

### Brief Description

Tintagel Castle is an extremely popular tourist attraction and its visitor facilities, were in need of revision to bring the site up to modern standards of presentation technology and energy efficiency.

English Heritage commissioned a survey of the existing services and requirements for a new layout to the Visitor Centre, Shop, Café and new cliff top Kiosk.

MTA were involved in two previous projects at Tintagel, extending the visitor centre and converting the current café in 2004 and 2008 respectively.
