

BRACKLEY TOWN HALL

Brackley Town Hall is a Grade II* Listed Georgian Baroque Hall, dating from 1704.

Previously on the Vulnerable Building Register, HLF funding was sought to fully restore the building and MTA formed part of the team assisting Brackley Town Council to achieve this. MTA were subsequently appointed to undertake full design duties for the refurbishment.

The refurbishment plans included the installation of a new passenger lift and full mechanical and electrical services installations to provide community spaces, café and kitchen facilities and holiday accommodation.
